Technical note

POLIGLASS 05

Rinsing detergent for glass and crystal surfaces

MAIN FEATURES

Fast evaporating scented detergent for glass, crystals and mirrors. Thanks to the use of plant-based nanotechnologies, the product is free of risks for the environment and the operator, non-toxic, non-caustic and fully biodegradable, which makes the product particularly suitable for use in the nautical sector.

APPLICATIONS

Windows, mirrors, crystal, etc...

INSTRUCTIONS FOR USE AND DOSAGE

Spray on the surfaces to be cleaned, proceed with cleaning with paper cloth or microfibre cloth dry until dry.

USAGE PRECAUTIONS

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
